Add Your Name to the MGCC Endowed Scholarship Plaque

An engraved nameplate is added to the plaque in recognition of donations of \$30.00 or more (engraving fee is \$5.00). This plaque, created by Paul Heaney, is installed in the Monroe Community College Automotive Technology Department. Nameplate can be purchased in the name of the donor for a friend, or as a memorial. There is no requirement that donors of those honored through donations be members of the MG Car Club. If you wish to purchase a nameplate, send a check payable to MG Car Club to:

Frank Stepanik
13 Fiora Drive
Fairport, NY 14450

Please indicate exactly how the name should appear on the plaque.

We just got back from our trip to Stowe. What a great time we all had, 16 of us. The car show had close to 700 cars and it was a beautiful day. Put that together with the fine, wonderful, expensive restaurants and it was a great weekend. The coupe ran great and on the return trip we came back from Rome via the Thruway and I kept right up with everybody else. The fall colors in the Adirondacks were close to peak.

My next trip, some of us leave on the eighth for Hershey. With good weather this is always a fun and interesting trip. If anybody wants anything for their classic car you would find it at Hershey. It always amazes me over how many vendors that are there. There are buyers from Europe and Asia there, looking for parts. This is the time of year that I like most and hopefully around 8 October Pennsylvania will be showing some bright fall colors.

The speakers we have coming up for the next two months is going to be very interesting. John Baum has arranged with a Paul Donville that is going to speak on different kinds of oil. Then in November, I have a gentleman by the name of Rob Lillis that belongs to the Central New York MG car club that has, with his wife taken a trip in their MGB on route 20 from coast-to-coast. We met this man on one of Rod's trips to Waterloo. This should be very interesting!

I want to thank Rob for filling in for John and I when we were gone to Stowe. As always he did a fine job. Remember, coming up will be elections for officers positions for the club. This is your chance to jump right in and take that position you've always wanted.

Take care, Dave

That was such a great time at Watkins Glen. So many MG's to see. Time spent visiting the MMM Tent at the track revealed some beauties. I went looking to see if my favorite Car a PA or PB Airline Coupe was on display. Love that shape. Sure enough there was a beautiful 1936 PB Airline Coupe there.

Saturday night's party was great. The marching band had to be the highlight of the night. Even the people in the Seneca Lodge Restaurant enjoyed the music and fun.

It was a pleasure meeting so many MG folks from near and far and points in between. When you get into a situation like that, the saying "A Marquee of Friendship" seems to become a little clearer. I cannot help but think of another saying "You have to be a little crazy to own a British Car and all British Car owners will proudly proclaim that fact." to describe Saturdays party. I am not sure who wrote it but whom ever you are thank you.

As I am writing this we are in a beautiful stretch of weather. Great temperatures and clear skies. Hope you all with a sports car available took advantage of these days. Not to many like that left this year.

The report on progress of my car Bruce is nothing new. Have a great month See ya at the meeting

Happy Top Down

Activities

If you were not in Watkins Glen September 5-7, you missed a wonderful weekend with the streets and the track filled with sports cars of all ages and makes. We drove our MGB on the Tour deMarque under hot and sunny skies on Friday and were joined by about 130 MGs from all over North America.

Special thanks to Allen and Elaine Hess and Arnold and Stacey VanDenburgh for hosting the club party Saturday night and for preparing delicious sliders and chili. Thanks to Karen Salibury for arranging for rooms at the Seneca Lodge for club members. Thanks to Sue Keppler for leading the now traditional MGCC Marching Band. And finally thanks to all our club members who contributed goodies to a great party at the Log Cabin. All our visitors from England, California, North Carolina, Oklahoma, Canada, New Zealand, Scotland and NYS had a terrific time. Keep your eyes out for Classic MG magazine as the editor, Dick Lunney, took over 300 photos during his visit to the Glen and our party.

MGCC Minutes of the Meeting

By Doris Britt

September 18, 2014

7:40 PM. Rob Shrader opens the meeting in lieu of Dave Chase or John Baum who are out of town. Minutes of the last meeting need corrections: Page 7 has Al Fink's name spelled wrong. Given that the mistake will be corrected the motion to accept the minutes was made and seconded.

The Spokes newsletter also has Bruce and Cindy Austin still listed as being in charge of address changes. They are no longer here and the Spokes Staff should reflect that change.

BIRTHDAYS: Al Costich and Mike Goodwin.

ANNIVERSARIES: Dan and MaryEllen Suter. Richard and Bethel Powers - 42 years.

ANNOUNCEMENT: Al Costich was voted to receive the Collier Cup this year, a great honor for him and we are proud.

TREASURY: Rob Shrader informs us of the healthy state of our finances.

It is decided to make donations in the name of Bob Tescione and Tim Rizzo and have their names inscribed on the plaque at the MCC Display Center.

ACTIVITIES: Dave Wild reported on the events at Watkins Glen Sept 5-7. He said that the Concourse was oversubscribed with 63 entries. First place went to a special style 1932 MG and 2nd was to an MGJ3. The Nuffield Trophy was well received and is now on display at the Research Center. The MG Race scrapbook is also on display there.

Dawn Priestly tells us about the **Fall Foliage Tour** coming up on Saturday, October 18th. Participants should meet at 9am at Tops Market in Canandaigua. Plan on 7 to 8 hours for this event. It will finish in Canandaigua.

Yacht Club Brunch to be held the 2nd of November. Ann Faust reminds us to pay before October 22 to be included. The Club is at the north end of St. Paul Blvd. **BRING PICTURES TO SHARE.** They will be displayed.

Christmas Holiday Party. Saturday, Dec 20th at Rick's Prime Rib. There will be a sign-up sheet at the meeting in October. The board voted to cover part of each person's bill so your total cost will be under \$20 per person.

LIBRARIAN: Alan Costich said that he had no comments but Rob Shrader did. He told us that the club had agreed to purchase the Nuvolari DVD. It was suggested that we also purchase the DVD entitled

ONE. Rob agreed that we should have it but it was not currently available from the source we have. It will have to be a separate purchase as a separate occasion.

SPOKES: Don McConnell talked about the calendar for next year and asked for pictures of our weddings, especially if the couple drive off in a British car. He needs 12 pictures by the middle of November. The other subject he is considering would be photos from the past. Car Club events and photos of people that used to be members or ourselves at an earlier time. Deadline should be by the middle of November.
SEND THEM IN

REPORTS: Desi Benet asks if anyone is planning to go to Bronte this weekend. Contact her if you are. Desi also told us about Apple Tasting weekend in Wayne county October 10-13. You drive from place to place and enjoy food along the way.

Dick Powers filled us in about the Watkins Glen weekend where Dave Wild left off. It's another historic year for MG at the Glen. Dick was involved with the racing part of the weekend and told us how the Collier Cup event was kept running all these years. This year is the 60th anniversary of the Cup and Dick gave us a good rendering of it's history.

Mike Goodwin told us about the Trail's End Festival in Maine. There were 27 cars and he won 3rd place. He also told about photos he got for the Moss Motoring contest.

Leon Zak announced that after 5 years of trying **DICK RZEPKOWSKI'S #74 RACE CAR FINISHED THE WEEKEND!** We had 4 drivers in that race: Dick Powers, Al Costich, Dick Rzepkowski and Ted Hershey.

Cars or parts for sale: 1973 Midget for sale. Talk to Al Costich.

Rob Shrader reminds us that if we want to **buy or sell anything at Hershey** we should contact George Haynes, Dave Chase, Gil Langswager or Jeff Kath. They are going next month before the next meeting. Dave Wild said that he received a letter from J.P. Argersinger after the race in which his closing sentence stated **"MG OWNERS ARE THE BEST!"**

NEW BUSINESS: Annual elections coming up. Six positions are involved: Chairperson, Vice-Chairperson, Secretary, Treasurer, Activity Director and

(2) Trustees. Dave Chase, as outgoing Chairperson will become one of our Trustees and therefore, we need elect only one . Nominations will be accepted in October and elections in November. We are lucky in having several volunteers for some positions and others, of course, can be nominated along with them. Sue and Mike Harrison have agreed to stay on Activities for a second year. Sharon Zinser has volunteered for the Secretary's position and Mike Goodwin volunteered for Treasurer . We can expect these volunteer's names to be on the roster for election next month. This does not mean that others can not be nominated for these positions. They are still open for your input.

Our bylaws state that vice-chairperson moves up to Chairperson automatically but John Baum (our Vice-

Chair) has stated that he will also accept nominations from the floor for that position as well.

We will still need nominations for Vice Chair as well as one Trustee. **We are asked to give some serious thought to this upcoming election and who we would like to have as our leaders.**

DRAWING was held and a motion was made and seconded to adjourn . Alan Costich then showed a wonderful video of his race at the Glen. It was almost as good as being in the car with him. Thanks Al.

If you need Help , Dan Goodwin and Hollis Hames are coordinating a "Helpline" for members in need of assistance with car projects. Volunteers are asked to contact them with information on availability and areas of expertise. Dan and Hollis will try to match frustrated mechanics to one or more members from the pool of those with experience

Interview with Al Costich

By Don McConnell

This years receipient of the Collier Cup is Al Costich. He is the third member of our club to receive this award. I recently had a chance to ask him some questions about his racing.

First off Congradulations on this award.

SP- What does this award mean to you ?

AL- It's such a prestigious honor to be recognized by the drivers.

I never expected it.

It is pretty significant and humbling that my name now appears

with some of the most re-known MG racers around.

SP- When did you start racing ?

AL- June 2001.

SP- Where was your first race ?

AL- Watkins Glen with Historic Sportscar Racing, which at that time was partnered with SVRA.

SP- Why do you race ?

AL- For the pure pleasure of showing off the car. The challenge of finishing a race weekend in a car that I built. For the camaraderie of like-minded people on a race weekend. To run on the tracks that I read about in high school.

SP- What is your most memorable race ?

AL- That's a tough one. I remember bits of most every race I've run for one outstanding reason or another. In that respect, they are all memorable. For me it's not so much the racing that stands out as it is the socializing over the course of the weekend.

SP- What is your favorite track ?

AL- So far Watkins Glen.

However, I like Mosport and MidOhio as well. Circuit of the Americas was special as was Indianapolis. There are still tracks I haven't been on and look forward to running in the not too distant future. There are also a few tracks I wouldn't return to.

Alan

MGB US 20 Trip Talk

"It reminds us of all that once was good, and it could be again." That quote is from the movie Field of Dreams filmed in Dyersville, Iowa on US Route 20. It applies to so much of Route 20 which is the longest road in the United States. It runs 3,365 miles through big cities, small towns, farmland, deserts and mountains. It also runs through history with many links to Ontario County and the Finger Lakes region.

Last year, new Club members Rob and Carole Lillis drove their 73 MGB the entire length of Route 20 from Boston to Newport, Oregon and then down the California coast. Along the way they visited historic sites and met great people with wonderful stories. Parts of Route 20 follow the Oregon Trail, the California Trail and the Mormon Trail. Freeport, Illinois, on Route 20,

is the site of the famous debate between Abraham Lincoln and Canandaigua Academy alumnus Stephen A. Douglas. Closer to home, route 20 passes through Seneca Falls, home of the Women's Rights National Historical Park on the site of the first Women's Rights Convention held in 1848.

On Wednesday October 15, 2014 at 6:30 at Wood Library on North Main Street Canandaigua, the Ontario County Historical Society is sponsoring a talk about the trip called, "While We Still Can." There is no fee and reservations are not required.

My First Car Part 1

By Dick Powers

For Father's Day, my daughter and grandson gave me the book:

My First Car by Matt Stone.

Possibly some of you have seen the book, but basically the author interviewed about 80 people who were Racers, in the Auto Industry, Stars of Stage & Screen, Athletes, Journalists and Artists.

As an example: Stirling Moss - '36 Morgan Trike, Steve McQueen - MG TC, Danica Patrick - '96 Ford SVT Mustang Cobra, drummer Neil Peart -'69 MGB, Paul Newman -'29 Ford Model A., Jay Leno -'34 Ford pickup, racer Ryan Newman -'74 TR6, Lyn St James -'65 Pontiac 2+2 421, and Piero Ferrari (son of Enzo) -'63 Morris Mini.

This got me thinking that some folks we know may have had interesting First Car stories. Here are a few examples from our MGCC:

George Haynes

"My first-ever car was a 1931 Model A Ford coupe. I drove it around the empty lot next to our house in Brockport. I was 13. It was replaced by a 1929 Model A Roadster Pickup - for \$15.00. It had the body tub and bed but no fenders. Also driven around the lot next door. I bought a 1940 Ford DeLuxe coupe when I was 15 and eventually drove it on the road after I got my license. It cost \$100.00. In 1955 I bought a 1950 Ford convertible, the first of many open cars. It had been owned by the Parts Manager at Hart-Taylor Motors in Spencerport and, of course, was loaded with every option available. In time, I replaced the flathead engine with one from a 1955 Ford, an OHV V8. Sold that not long after my first marriage in 1960, but not before taking it on our honeymoon to the Adirondacks.

First British car was a '58 Triumph TR3A, black with red interior. Nice car that led to other British cars, ending with my TR4A I have now."

Gil Langswager

"My first car was a 1938 Chevrolet 4 door sedan which I bought from my father in 1950 when he bought his first new car, a 1950 Chevrolet 2 door. As you can imagine, it was an old car in need of work. First it got a paint job. I was going with Betty at the time & she helped me. We used one of those "powder puff" kits that were available at the time. It served me well, but

when Betty & I got married she had a new 1951 Plymouth. We could only afford one car so I gave it back to my father. Yeah, those were the days!"

Brian Fallon

"My first car was a '52 MG TD. I bought in Dec of '58 from a used car dealer on West Main St. for \$750. It was not a good car but I loved it. Doris Britt and Don Stahl opened up Sports Car Service Center in March of '59 on South Ave. I became such a frequent customer that Don said to me "Brian, you can't afford this car unless you come to work for me". Thus, my entry into the car business in Rochester. I finally traded it in on a new '59 Sprite from Webb motors in Oct. '59."

Doris Britt

"The first car I ever owned was purchased on a whim. A big black '46 Packard Limousine caught my eye while visiting Waukegan Ill. The poor thing was standing in a farmer's lot surrounded by chickens and cows and for all the world seemed to be begging for rescue. I drove it home with just a note from the farmer attesting to my ownership, no plates, no registration....that's another story, but suffice it to say that when I got my MGTD (Alfie) from Churchill Motors and drove both vehicles alternately, I knew that I was hooked on driving....big or small, I couldn't wait to try them all!"

John MacDonald

"My first car was bought for me while in high school.

My father had a new '65 Mustang coupe with a 3 speed on the floor, a front bench seat and a 289. He decided, in order to keep me from asking for the keys all the time, that he would get me an old clunker to drive, a 1958 Renault Gordini.

This would not have been my first choice for a car by a looong shot. But I didn't look the gift horse in the mouth.

To some this looked like a regular Dauphine, BUT no this one had a better exhaust header which gave it an amazing 9 more horse power. This got it to 60 Mph, 7 seconds faster than the stock Dauphine, an amazing 30 seconds.

I think the shift linkage was by rubber bands. You could move the shifting knob in a 6 inch circle without taking it out of the gear it was in. Shifting was like row-

ing a boat with out the physical effort. Don't get me wrong this was good because with only 36 hp you did a lot of shifting.

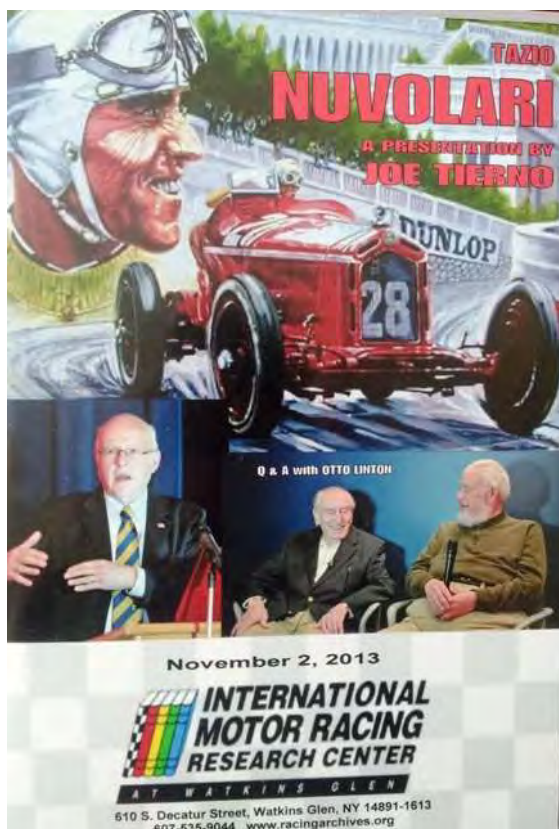

I played football in high school. Coming back from a game with Tupper Lake, as our school bus rounded the curve in front of the school our coach bellowed out "Who the hell owns that car?". I was near the back of the bus, so had a hard time seeing over all the guys to see what he was talking about. Finally I could see the problem. It was the Gordini sitting crosswise in the ditch in front of school.

I confessed to owning the car. The coach asked why I had parked the car there. (Not necessarily in those

words.) I replied I'd left it in the parking lot. It seems that some of my team mates, who had ridden on the first bus to leave, got back with enough time to have some fun with my car. Taught me a lesson to never buy a car that can have the rear wheels lifted a foot off the ground, at the engine end, by 4 high school football players."

Dear Friends and Family,
Great news! The DVD of the presentation I made about Tazio Nuvolari is now available through the International Motor Racing Research Center (IMRRC). The price for four hours of automotive entertainment is just \$30, all of which goes to the IMRRC.

Thank you, Joe Terno

THERE'S MORE TO MOSS THAN CAR PARTS

I started buying parts from Moss back when Chris manned the counter on Dawson Street. My customer# is 15251. I've been treated like a friend instead of an occasional customer. Moss employees freely give of their time to help me keep my British relic running. One year, on the way to an event, 25 miles up the road from Moss, my car cracked an oil line. The gentleman who pulled my part from the warehouse delivered it on his lunch break. He wouldn't accept any delivery fee."
