## Add Your Name to the MGCC Endowed Scholarship Plaque

An engraved nameplate is added to the plaque in recognition of donations of \$30.00 or more (engraving fee is \$5.00). This plaque, created by Paul Heaney, is installed in the Monroe Community College Automotive Technology Department. Nameplate can be purchased in the name of the donor for a friend, or as a memorial. There is no requirement that donors of those honored through donations be members of the MG Car Club. If you wish to purchase a nameplate, send a check payable to MG Car Club to:

Frank Stepanik  
 13 Fiora Drive  
 Fairport, NY 14450

Please indicate exactly how the name should appear on the plaque.

## Chairman's Corner

The driving season is getting closer, although by looking out the window you would never think so. As I'm writing this, we have received a fresh 11 inches of snow and it looks more like Antarctica outside than it does upstate NY. When you consider two days ago it was 64 degrees and I had the car out for a quick shakedown run prior to doing the spring maintenance, it just shows how fickle Mother Nature can be this time of year. I have to keep reminding myself it is still early March and anything is possible weather-wise.

This year is shaping up to be one of our busiest years for events. Ted and the Car Show committee are working hard behind the scenes, as is Dick Powers and the 60<sup>th</sup> anniversary committee. Both promise to be great events and my hope is that both will be well attended, not only as a participant, but more importantly as volunteers. These events are for the members and by the members, and the folks that put them on do it for the benefit of the club, the marque and, membership. They can't do it all alone though and they will need volunteers, especially at the car show. As long as we all pitch in, the amount of time spent doing a particular job assignment will be relatively short because it can be divided up among more people. I don't want any one volunteer being stuck doing a job all day long and not be able to enjoy either event.

Keep those warm thoughts coming, there's only 20 more days till Spring.

As I sit and watch some of the Olympics, I can't help wonder what it would be like if there were an Olympics for automobiles. What kind of events would there be? To start with there are long distance races 24 hr Daytona, 24 hr Lemans. Then there would be medium distance races 12hr Sebring, 6 hr Watkins Glen. Then there would be sprints 3 hr races. Maybe a slalom run. Add a relay race, lots of fun transferring the baton. Now a jump event might be tricky to do but fun to watch. Not sure what other events might fit, some will come to mind when I least expect it.

The awards would be awarded as follows: 1st Gold Gear; 2nd Silver Gear; 3rd Bronze Gear

Enough about that, time to get serious about those winter repairs. They must be completed because driving season will be here before you know it. So get to it.

Have a great March and see ya at the next meeting.

Happy top down

Don

Happy March! The days are getting longer!  
This month we have our Steak Roast and Auction on March 18th. If you haven't already done so, please send your \$5 deposit to Barb Zak.  
The location is at the Legion Eyer Park at the Quinzi Lodge

The event will run from 1pm-4pm  
What will be provided?

- steaks
- hotdogs
- coffee
- tea

- Items for the auction ~ anything goes... I had a few ladies ask if we could go back to bringing things other than car parts because it is more fun for them to bid on non car parts..... But after hearing a few stories, if you are bringing items from home you might want to check with your significant other if it is ok to get rid of it so you won't have to buy it back!

Hope to see you all there!  
Kristi

What should you bring?

- Your personal place setting that includes a steak knife
- Beverages of your choice
- A dish to pass

## Minutes Continued

---

- Website: Leon Zak
  - Not present – enjoying Florida.
- 60<sup>th</sup> Anniversary: Dick Powers
  - 12<sup>th</sup> of August Sunday at the Lake Shore Country Club. Committee has worked hard at putting this together. Dinner cost is 35 dollars person for buffet. Cocktail hour is 5 to 6 on the Patio. Dinner is 6. Cash Bar
  - Working on gifts and if you have any connections let us know. We will have goody bags but need stuff to put in it. Moss motors has offered usual and the editor wanted an article, so Annabel worked hard at cleaning up some old pictures and Dick got it done in a couple of days. Hope to see it in the May issue. There may be a guest speaker, and we're exploring a few other possibilities. MG Car Club from the UK will not be here for the 12<sup>th</sup>, but may be able arrange a separate dinner meeting in June.
- 2018 Car Show : Ted Hershey
  - In 24 days Day Light Saving starts. In 33 days spring is here. In 150 days is the car show, the Western NY MG Sports Car Festival. We are all a part of it. 11 people have volunteered so far. Very excited. Those who need to sign up yet I will be around to remind you at least 5 more times. If you go on the webpage you can register your car right now.
  - Patron cost is 10 dollars. Your name will be in the program. We are working hard to make the car show a fun event for all members.
  - On each table is information on the classes. We are moving along and hopefully have a lot of our own cars there plus others.

### Old Business

- The Club Email list has been updated with 16 additional names that were not receiving the email. Only two people opted out, so hopefully we will see an increase in participation at the "last minute" events over the summer.

### New Business

- The new Speaker Connections are in and we no longer need to haul the club's speakers to the meeting. We still need the amp head but it's much easier to set up the meeting beforehand now. Thanks to Ted Hershey, Leon Zak and Dick Rzepkowski for assisting me, and Al Costich stopping by to provide moral support.

### Other topics

- American Legion will be opening the kitchen beginning the March Meeting. They will be sending out the menu well ahead of the meeting, which I will forward to everyone. I'm working with a way to get it in the Spokes, as well as posted to the Website by a link. There is an email list very similar to ours. If you would like to be on it, let me know and I will forward your email address to them.

### Updates from members of projects and trips

- Dave chase. Tell us about Bill Hane that passed away. Bill was a member of the Buffalo Octagon Association. Just information in case anyone in our club knew him.
- Dan Goodwin is missing the idea of cruise nights. Dan went to Cuba (no not NY, THE Cuba). You see cars you're never going to see anywhere else. They patch together anything to get it running because this is their lively hood. One of Dan's favorites was a 1947 Cadillac limo with VW Taillights. Lime green and exquisite. Fascinating culture. People are great.
- 66 MG is gradually getting on the road by Dick powers. Hopefully back on road by April. George Hershel is in Aaron Manor home. Hope to have him there for the 60<sup>th</sup>, but he is in good spirits.
- Bob Welch went to Singapore. Nice and hot. Come back to freezing weather.

### Any other announcements

- Glenn Masline is pleased to announce Maslinecalendars please take some on table.
- Steak roast remember the auction and bring stuff

### Cars and parts for sale

None at this time

### Door Prizes

## Special Thank You

Here are some Thank You's written by the children who received the mittens and hats.

The above images are a few of the great thank you and Valentine cards we received from 2nd grade students at **CITY SCHOOL 25** for the hats and gloves collected at our Holiday Party. Each construction paper card had a great picture on the front, many showing the kids wearing the hat and gloves they received. Every one had a hand-written thank you note. There were about 40 of them, all fine works of art! Thank you to everyone who participated. Annabelle Tescione

# Robbie Burns Day

By Desi Benet Photos By Dick Powers

## Robbie Burns Day 2018

26 members of our MG Car Club met on a bright sunny Sunday to celebrate Robbie Burns Birthday. Robbie Burns, the poet (baird) of Scotland, His birthday is celebrated amongst Scottish communities throughout the world to celebrate their Scottish roots. ( check out <https://www.timeanddate.com/holidays/uk/burns-night> for more info on Robbie Burns and his birthday celebrations. MacGregors on Empire Blvd welcomed us again this year at this event. Great pub menu, beer and no haggis! Many thanks to Suzi Keppeler who provided us with bag pipe music.

Again, odes, limericks and poems were offered by our club members Gil Langswager, George Heisenberger and Alec Briggs:

There once was a young man from Coventry  
That was worried and melancholy  
He didn't know what to do so he putting his worries aside  
He went for a ride in his bright shiny red MR2

There once was a man named George  
Through the streets and highways he roared  
In his MG he roamed  
Taking the long way home  
And never once became bored.

There once was a man from Nantucket  
Who bought an MG, a rust bucket  
He tinkered and spent  
Until all is cash went  
And finally he just said " Oh f— " it

Some folks say that Lucas spells trouble  
Their Gremlins will gladly work double  
But electrics I trust  
Over floorboards that rust  
With me looking like Barney Rubble

# THE History of The MG Car Club part 5

## MG HISTORY-PART V

It cannot be said that when the race was over things returned to normal. Is a boy ever the same after his first pair of long pants? Does a girl ever pick up her dolls again after that first shy request for a date?

Our lawyer members were hard at work on a new contract with The Glen Corporation within days after we get back home. It had to be. Only next year it would be better, we would profit by this year's mistakes.

The September rallye was Walt Parshall's first attempt at laying one out; he called it the "Rookie's Ramble" It was a rough one but Harold LeBoo and Lucille Ferris came shining through to win their first rallye, Walt knows the Naples area inside out and he has the best of them scratching their heads. It is interesting to note that of 26 cars on this rallye, half of them were MG's, and four were TD's. Somewhat different than nowadays, aye-wott?

The October, 1959 Issue of Spokes contained the first of a series of articles by Dick Coleman entitled "The Navigator". This series ranks among the best on the subject. It would make very good reading as a refresher for all of us. Ah'll tell ya what ah'm gonna dew. If you readers are interested in seeing this series repeated in the Spokes or would like copies of it for reference, contact me in person, on the phone at NO3-3319 or drop me card. at 78 Hilltop Rd. Rochester 14616" If I get enough interest aroused, and I mean at least a dozen people. I will get Dick's permission and try to talk Jeanette into putting it in the Spokes.

Bob Jeffers and Harold LeBoo combined their talents to produce a rallye that they figured the contestants would call many names: hence, the "You Name it Rallye". They pulled a cute little gimmick in this one. when you reached a certain point you were told to open some special instructions. They told you to disregard the last three average speeds you had used and recompute that section at a lower speed giving you a new departure time from this point; not really difficult, just, a bit disconcerting. Dick Coleman was by this time considered a very capable navigator and was much in demand. One of our trophy- hunting, point conscious members decided he would drop his wife type, navigator in favor of expert Coleman. Now wives are inclined to fight back once in a while and this one did by taking the family sedan and their son. She beat hubby by 180 points. I bet you forgot all about that, didn't you?

The Halloween party that year was held in Langswager's garage. Inspired by tire setting, Don Stahl. came as a gas pump and, Doris Brltt as a MGTD. They drove off together with the trophy for best couple. Ann Hinkley was a cute candy striped little girl that took the female trophy and Shel Hinkley earned the male trophy for his ugly Spaniard. It must have been difficult for the judges because I remember Jack

Wegman as Buster Brown stepping out of his shoe and Jack Sheldon as a can of Genesee.

Larry Bubel and I came up with a little different thing in the way of instructions with our "Auto Ausflug" which, freely translated, means auto outing. We printed the instructions in paragraph form using the language of a tour guide- " ... leaving the village of Hootin Holler takes you along Moonshine Trail until. you come to turn left after Snuffy Smif's still ... Our friend the trophy hunter dumped Coleman quickly but still had no confidence in his wife. He picked Carl Clark and ended up in 12th place. His wife ran with another 'guy's wife and took first place,

December brought us to our annual Christmas party and Nomination of officers. Maybe I'm just, a party boy at heart, but I think these annual affairs are the greatest. Chuck Heindl was nominated, unopposed, for chairman. Bill Baller and Bill Reeves were nominated for vice-chairman. Shel Hinkley and Ann Piacentini for secretary, Harold LeBoo for treasurer, Gil Langswager for rallyemaster Dick Coleman and George Gay for post rallyemaster and Carol Lee Vorra-si and. Bob Scott for director of publications.

Gordon Rogers borrowed an idea and refined it, coming up with an unusual winter rallye for December. He called it "Signs of Winter" and instead of written instructions, used the common diamond shaped. intersection marker signs. It was so easy that; some navigators went to sleep and their drivers promptly went off-course. Not Dee Merriam though, she brought Dave Elder into first place.

A navigator's dilemma with the unlikely title of "Das Macht Nicht Aus" was the final championship rallye of the 1959 season. Average speeds were the toys of Bob Scott for this very excellent event as he increased and decreased them at Thruway bridges. " Not content with this play, he had. then increased by a third when you were west of the Genesee River. The Robinson's won the rallye but Bill Reeves had Rod Curtis to help him take third place and clinch the championship

The annual election took place in February with the following results: Chairman, Chuck Heindl; Vice-chairman, Bill Reeves; Secretary, Shel Hinkley; Treasurer, Harold LeBoo; Rallyemaster, Gil Langswager; Post Rallyemaster, George Gay: and Director of Publications Carol Lee Vorrasi.

We were then starting our third year. We had a full well rounded schedule behind us and. an even better one lined up for 1960. As befalls all organizations, there was some discord, such as complaints of cliques lack of cooperation, criticism of championship points procedures, and other grievances. But in spite, or maybe because, of these the club was gaining strength and heading for the top.

# Valve Cover Races 2018

By Ted Hershey Photos By Al Fink

On February 11, 2018 members of the Western New York MG Car Club gathered to once again to compete in the annual "Valve Cover Races". It was an exciting, action packed afternoon. We shouldn't overlook the gourmet tidbits that were brought to dine on as part of the Wine and Cheese party that runs in conjunction with the races.

This year 16 cars showed up with 3 being brand new to the race seen. Chad D'Angelo was one of the first timers, he brought a well sorted small bore car that came in third for the day which was a great result for a first timer. Sue Goodwin decided to branch out on her own and created a very nice big bore car "Lady Barbie of Chili". The car was quite competitive and this observer believes that with a few minor adjustments, it is a car to be reckoned with in the future. The final new competitor was Bill Dexter who brought just a gorgeous example of a "Lotus 49". This is a car that is hard to describe in words alone. It was the people's choice winner so refer to the pictures and you'll agree that is a beautiful car and quite competitive.

Now for the race results. In the small bore class seven cars competed. The racing was very competitive with a record number of photo finishes expertly captured by Al Fink's camera with Mr. Fink's at the helm. Mr. Chad D'Angelo captured third place, with his car "Spare Parts", great result for a first outing. Second place brought out an oldie but good-

ie, the car that is, "Green Meanie" driven by Nancy Cleveland. First place was captured by the slimmest of margins by Ted Hershey's "Maroon Goon".

In the Big Bores after all the verbiage and gesticulation, We got to watch some of the closest racing we have ever had, with out Al Fink and his camera we would still be debating the out come of many of the races in this class. Third went to someone who has seen the top spot many times but it wasn't to be this year, Bill Baldwin with "Negative Earth" claimed third. Second was filled by another previous champion, Mike Goodwin, with "HI HO Silver". Mike Goodwin was edged into second place. This reporter believes each of the three, heat races, in the finals were photo finishes. Hollis Hames with his returning "Road Kill" won the top spot this year. Hollis is not a new comer, to a top podium finish he has been there in the past.

Abig thank you has to go out to Ms. Cheryl Baldwin for her precise and vigilant work, serving as the chief steward at the finish line and as always thank you, to everyone who lent a hand to make the races fun. So you want to build a racer but you don't have a spare valve cover or you need a list of the rules. Please give me a call; I'll fix you up with both.

DELIVERING QUALITY  
SINCE 1948

We take pride in being fussy. Take our Classic Gold brake shoes for example. Before being called Classic Gold, we improved the original stock design, then had them manufactured, inspected, trial fitted and tested on the road. Accept nothing less than the best. We don't.
